Memorial Brick Pathway into Garden

Now is your chance to support the Ambrose Community Garden. Do you know of someone who you would like to recognize with a onetime donation that will last a lifetime? Help create a unique visible pathway into the garden which will end in a large patio. Purchase a laser engraved brick in honor of yourself, memory of a loved one, your company or organization. Each sponsored brick will be a visible part of the entrance pathway. All proceeds raised from the commemorative brick program will be used to create the complete pathway with any extra funds used for other projects in the community garden.

The Ambrose Community Garden is located on donated land from the Ambrose Recreation and Park District (ARPD) next to the Ambrose Community Center on Willow Pass Rd in Bay Point, Ca. The garden has been financed by several Bay Point residents and local organizations including the ARPD, Bay Point Garden Club, Keller Canyon Mitigation Fund (KCMF), Mt. Diablo Landscape Center and The Ambrose Lions Club. The idea for the garden originated in conversations among the homeless community while a weekly meal program in 2007-8 was held at Anuta Park. With permission from the ARPD, the garden was created in May-June 2009 with several thousand donated hours of labor from the Bay Point homeless community, Bay Point Garden Club and friends. Recently a fence and additional raised garden beds were constructed using a grant from the KCMF and amended soil from Mt. Diablo Landscape Center. A picnic table will soon be constructed from donations by the Ambrose Lions Club. The Garden hopes to secure additional funding for an arbor over the picnic table and a storage shed. In the future the garden hopes to have a greenhouse and gazebo to complete its outdoor community center.

Information: Bricks are 4"x8" with 3 lines of 20 characters per line (including spaces and punctuations). 8"x 8" Bricks have 6 lines available. Please make sure your engraving information is spelled correctly. Use one order form per engraved brick. You will receive a Mini Brick replica of the original as a personal remembrance. An acknowledgement certificate will be sent to you or someone you designate after the Brick has been laid. Bricks are engraved using a state of the art laser technology that has greatly increased strength and durability. Bricks with logos and other artwork are available for extra cost. Bricks will be ordered in lots of at least 50 so your patience is appreciated. Help encourage others to purchase an engraved brick. 4"x8" Bricks are \$50 each, 8"x8" Bricks are \$100. Checks or Money orders are payable to the Bay Point Garden Club and your donation is tax deductible. Mail orders to Bay Point Garden Club, P.O. Box 5386, Bay Point, CA 94565. Info: Contact Michael E. Kerr (925)219-6518.
