Voluntary Sign Compliance

The Bay Point Chamber of Commerce is supporting a voluntary sign agreement by Bay Point businesses to upgrade and unify the signs of businesses in Bay Point. A well designed sign can greatly increase business. If you currently drive on Willow Pass Road or Port Chicago Hwy. you will see many examples of poorly designed signs, signs hand painted on the sides of buildings, and faded signs. It does not make a good impression of the business community. It is our goal to completely change the image of Bay Point as a place to shop by the end of 2014.

There will be a meeting on Wednesday, August 20, at 6pm at Ambrose Community Center to kick off our campaign to improve the Bay Point Business Community image. Let's work together to improve our image and increase sales.

Introducing the Gloria "Glo" Magleby Community Garden

Looking at Bay Point Caring About Your Community

Bay Point Giving Back Project (BPGBP)

The Bay Point Chamber of Commerce has embraced a small group of young college graduates from Bay Point, that would like to improve the education, economic and social climate in this community. These Enthusiastic young people need your help. They are interested in bringing together those that can most benefit from higher education and the business interests that may follow those to our area.

They have contacted interested parties from the University of California to come and speak to a meeting of the minds in August of this year. Along with the UC representatives, they are hoping to

attract representatives from Tom Torlickson's office, Los Medanos College and Diablo Valley College, and Supervisor Federal Glovers office.

If you are interested in participating in this meeting or to be part of this group of individuals, please call the chamber message phone. 925-698-9994

Please speak clearly and slowly for our system is a little old. Please give us your name, phone number and email address, so we can contact you for a pre-meeting get together.

Reliance Auto Service

Reliance Auto Service is a great place to get all your vehicles serviced. Paul and Kathy Li and their staff have nearly 65 years of automotive experience. They are located at 2594 Willow Pass Road in Bay Point, two blocks east of Bailey Road. Paul started the Bay Point business in 2002 after working with his brother for years in Concord. Paul and Kathy saw the need for a good, honest, affordable car repair shop in the Bay Point area and moved here to support the community. They offer honest assessments and provide expertise on repairs for all types of vehicles. All of their automotive technicians have had years of experience and training and are happy to assist you with your car repairs. While adapting to the business and local clientele, they have become a significant force and an important part of the Bay Point Community for 15 years. When not working they love to go camping, swimming, hiking and dancing. What they like most about Bay Point is meeting the nice people that come in with car repair needs and seeing them leave with a smile. We are grateful to have Reliance Auto Services as a member of the Bay Point Chamber of Commerce.

Testimonials

"I have been using Paul and his team for over 15 years. He is very professional and HONEST, and his guys always do great work at the lowest prices." —Robert

"Good honest service with a smile. The proprietor really cares about his customers." —Jim

"Very Professional service. Family-owned business, started out in a gas station. Had so many customers had to move to a bigger shop. They do diagnostics and all manner of repairs, they are the new mechanic techs, like doctors, without the high cost for repairs, always reasonable in cost. BART is near, food facilities, and you could leave or wait in the waiting room, must make an appt." —David R.
