

# Singin' a Bay Point Song

Daniel ben Avram

Performance Notes: The 8th notes are written square, but are to be sung 'swing' (8th & 4tr note triplet figures, with first two notes as sort of examples -- Finale won't let me write it out that way, so I fudged). Verses 1 & 2 solo or duet (top stave); then children singing lower stave with a tap dancer for rhythm, banjo lightly comping; then both staves together (verse 2 of upper stave); then instrumental chorus (the whole song); then third verse, everyone together.

Clarinet:
