June 1, 2010

I would like to thank everyone participating; our son served in this community and now serves in this unit (Corporal Eirman, Kevin R.). When he expressed they all needed things such as Lamsil spray, Chap Stick, and just things they miss from home. I knew I had to do something, and quick especially since packages take a month to arrive. They are excited and thankful. I will update the list as needed. Let's fill their boots until they come home. If you would like to bring the items to the Church, please call for more information and donation sites.

Sincerely,

Lu Lemons
