

This Town Is Your Town

Music by Woodie Guthrie
Words by Daniel ben Avram,
Inspired by Gloria

This Town Is Your Town, this town is my town
From Willow Pass to the west of Pitts Town;
From Highway 4 to the Delta waters,
This town was made for you and me!

As I was toolin' past Ambrose Center,
I heard the voice of Bay Point's own mentor
Well, it sang clearly, and it was Gloria Magleby's, singin'
"This town was made for you and me!"

This Town Is Your Town, this Town Is My Town
From Willow Pass to the west of Pitts Town;
From Highway 4 to the Delta waters,
This town was made for you and me!
